The City of Hazelwood

much more
than you imagine

June 16, 2021

Honorable Mayor and City Council Members,

I am pleased to present the 2022 Budget for the City of Hazelwood, which was adopted on June 16, 2021. The budget allocates funds to maintain the essential services that make Hazelwood a great city to live and work, and continues to support the City's exceptional quality of life and business environment.

For FY 2022, most city revenues are projected to decline. Were it not for unexpected assistance from the Federal Government in the form of the Coronavirus Aid, Relief and Economic Security (CARES) Act funding FY 2021 and the expected American Rescue Plan Act (ARPA) funding in FY 2022 and FY 2023, the General Fund would have significant deficits for FY's 2021 and 2022.

During fiscal year 2021, the City has been working to maintain what services we can as well as reach a level of normal in our daily activities. In March of 2020, St. Louis County initiated Stay-At-Home guidelines and a shutdown of non-essential businesses and enterprises in response to the Coronavirus situation. Because of the anticipated slowdown in business, City Administration originally projected sharp decreases in revenues across all major sources. The projected deficit turned out to be much less than anticipated. CARES Act funding offset the remaining deficit and in addition will help partially offset the deficit for FY 2022.

Property values in Hazelwood decreased approximately 7% in 2020 due to corrections for an unusually high reassessment in 2019. Preliminary assessments for the calendar year 2021, reassessment year show an 11% increase. The final reassessed valuation, Post Board of Equalization will be presented in September of 2021. The budgeted revenue for property taxes for FY 2021 is a 1.0% increase.

Sales tax receipts are expected to remain somewhat flat. Most sales tax categories are projected to decrease 3% to 5%. The ¼ cent Fire Sales tax, originally passed by the voters of Hazelwood in 2014 was increased in 2020 to ½ cent. Revenue is projected to increase by about \$250,000 to \$1.1 million for FY 2022.

A St. Louis County ½ cent public safety sales tax was passed in April 2017. We anticipated \$1,261,000 in revenue for FY 2021, and expect \$1,230,000 for FY 2022. While not required by law, City staff is proposing that this revenue continue to be dedicated towards providing police services and, as a result, the Police Department budget is proposed to be staffed and maintained at the current budget levels.

Total general fund spending has general increased for each of the last few years. The projection for FY2021 shows decreases in most departments. Total expenditures are expected to be a net \$1.98 million decrease from budget. This is primarily a result of a decrease in personnel costs, unfilled positions that were budgeted for FY 2021, and legal fees that were budgeted but were not spent.

The FY2022 budget will have a Cost of Living Adjustment (COLA) increase in payroll, a \$593 thousand (5.34%) increase in total Fire protection expenditures, mainly in higher fees to the fire protection districts, a 10% increase in health insurance premium costs, 20% increases in workers compensation and 5% increase liability insurance.

The FY2022 General Fund budget results in a deficit of \$1,431,142 leaving the City with unencumbered fund balance of \$7,392,706. This is 26.85% of budgeted expenditures. The City's Fund Balance Policy is to retain an unassigned fund balance of not less than 17% of budgeted expenditures. As already mentioned, budgeted results for the General Fund assumes that revenues will include approximately \$2.3 million in ARPA funding. Without that funding, the deficit would be much greater and would bring the fund balance closer to the threshold for mandatory budget cuts much sooner. The City will be closely monitoring revenues and expenditures this next fiscal year in order to stay above the 17%. The City will take steps to restore the deficiencies using the strategy outlined in the Fund Balance Policy and other steps to address the sources of any future deficit.

Budgeted expenditures for all funds are about \$9.6 million more than projected fiscal year 2021. Expenditures have continuously grown more than revenues for the past few years.

Economic Outlook

State and local governments everywhere are starting to see budgets grow at a moderate pace after several years of slow recovery. Long-term spending pressures still remain in areas including health care, education, pensions and infrastructure. The overall economic forecast for Hazelwood remains difficult to project. Staff believes sales tax will decrease despite recently enacted sales taxes. Property taxes are expected to remain flat. General Fund revenue will increase for FY2022 by less than \$40 thousand. \$2.3 million of that is federal ARPA funding. COVID-related funding over the three year period from FY2021 to FY 2023 will bolster the budget for each of those years, but it will not last. Were it not for the CARES Act funding received in FY2021, the projection would be a deficit of around \$800 thousand. Without the ARPA funding expected in FY2022 the result would be a deficit of \$3.6 million.

According to the Bureau of Labor Statistics, the national unemployment rate for February 2021 was up from 3.3% to 6.2%. Hazelwood's unemployment rate increased from February 2020 at 3.3% to February 2021 at 7.8%. The unemployment rate spiked at 12.6% in May of 2020.

Budget Assumptions & Key Decisions

General Fund sales and use tax is projected to be approximately \$10.0 million in fiscal year 2022, which is about \$87 thousand less than anticipated for FY2021. General declines in sales tax revenues of 3-5% are offset by the enactment of an increase to the

Fire Sales Tax. The original FY 2021 projections for sales taxes were cut very sharply due to the pandemic. The first few months indicated that the loss of sales tax dollars was not going to be as severe as we first thought. The FY 2021 Budget was revised to reflect the updated estimates. All of the General Fund Budget 2021 figures are the result of a budget amendment adopted by the Hazelwood City Council on November 18, 2020.

In FY2019 the Economic Development Fund received \$4 million as a one-time refund of loans from past years which has carried over into the FY 2021 Fund Balance. The One Half Cent Economic Development Sales tax is expected to increase by \$464,000 or 40%, in FY 2021 from the budgeted projection. The Economic Development sales tax did not decline as expected as with the General Fund sales taxes, but the Economic Development fund budget was not amended. It is expected to decline \$36,000 or 18% for FY 2022. In FY 2022 we expect to receive \$5 million in proceeds from a loan to fund the Economic Development loan to the POWERplex project. Those proceeds are expected to be issued in FY 2022 along with other Economic Development loans and other costs and funding. The expected net increase in the Fund is just under \$250 thousand in FY 2021. The Fund is expected to decline \$2.9 million in FY 2022 leaving a Fund Balance of \$4,878,406 at the end of FY 2022.

Hazelwood continues to solidify its niche as an industrious city, utilizing several incentive options to help businesses locate to Hazelwood and grow in the City. Local option economic development loans, funded through the City's dedicated half cent economic development sales tax, are set up as a repayable or forgivable loans. Chapter 100 abatements provides the opportunity for the City to abate all or a portion of real or personal property taxes that the company would be required to pay. Chapter 353 incentives allow for the redevelopment of blighted areas through real property tax abatement. The type and term of the economic development loans, as well as the amount and type of tax abatement, is all dependent on job count, job salary, total payroll, and size and scope of the project.

Tenants in the Hazelwood Logistics Center (HLC) Business Park, developed by NorthPoint Development, include Amazon, Quiet Logistics, Bunzl, Berlin Packaging, ODW Logistics, Fry-Wagner, American Red Cross and Allstates World Cargo. The eight buildings within the park house over 2,210 jobs and provided more than \$197,600 in business fees in calendar year 2021.

Aviator Business Park, which is Panattoni's redevelopment of the old Ford factory site, continues to build out. Amazon, Amcor Rigid Plastics, Silgan Plastics, International Foods, Trans-Lux, and Weekends Only all have facilities in Aviator. In 2021, businesses in Aviator had more than 480 jobs and paid over \$342,000 in business fees.

NorthPoint Development's newest industrial park in the city is Hazelwood Trade Port (HTP), located on about 300 acres by Park 370. NorthPoint is constructing 10 buildings and raising the land out of the floodplain. The first four buildings are completed with two more buildings under construction. The buildings are designed to accommodate warehousing, logistics, and light manufacturing and are home to tenants such as Wayfair, Mygrant Glass, Roto Rooter, Keystone Auto Industries, 24 Seven Enterprises, Elite Printing & Packaging, and Glideaway Bed Carriage. In 2021, businesses in HTP had

more than 400 jobs and paid over \$22,000 in business fees. Additionally, NorthPoint built and fully leased a 205,000 square foot distribution building at 133 McDonnell.

The City is working on several other economic development projects across the city, including the development and redevelopment of the vacant lot at 8930 Pershall Road and the building/lot at 8900 Pershall Road by Green Street, the redevelopment of Village Square by Somera Road into a mixed-use center with retail, offices, and medical spaces and the redevelopment of the St. Louis Outlet Mall into the POWERplex, a large youth sports recreation destination. Companies such as Mallinckrodt, bioMerieux, Inc., STROCO Manufacturing, Boeing, MiTek, and Nature's Bakery all call Hazelwood home.

The 2022 Budget includes the following revenue assumptions:

- Decline in Sales Tax
 - -5% – “A” Sales Tax,
 - -3% - “B” Sales Tax and Public Safety Sales Tax
 - -3% – Park & Stormwater Sales Tax
- One offsetting increase in Sales Tax
 - +29% - Fire Sales Tax
- Other Sales taxes
 - -2% - Economic Development Sales Tax
 - -2% - Capital Improvement Sales Tax
- +1.0% -- Property Taxes
- -5.0% - Utility Franchise

The 2022 Budget also includes the following expenditure assumptions:

- A 2.0% COLA increase for all employees - \$240,000 in FY 2022;
- Pension Contribution increased - \$66,000
- 10% Increase in Health Insurance \$153K - (0% increase in 2020 and 3% in 2021)
- 15% Increase in Dental Insurance
- 5% Increase in Vision Insurance
- 20% Increase to Workmen's Comp Rate - \$163K
- 5% Increase to General Liability Insurance

Executive Summary

Combined General, Economic Development, and Capital Improvements Fund Revenue totals \$35.6 million dollars. As shown in the following graph, sales tax is the primary revenue source at 37% of the total, followed by other at 19%, property tax at 12%, licenses & permits at 12%, intergovernmental revenues at 11%, and utility tax at 7%. Other is unusually high because of expected loan proceeds of \$5 million in the Economic Development Fund and \$600,000 in Capital. Combined 2022 sales and use tax is projected at \$161 thousand (1.2%) less than 2021 estimate.

Combined General, Economic Development, and Capital Improvements Fund Expenditures total \$40.8 million dollars. As shown in the following graph, Fire and Ambulance is the largest cost center at \$11,236,605 (28%) for the year. Fire protection is high because in addition to City Fire Protection, the City also pays the Robertson Fire Protection District and the Florissant Valley Fire Protection District for service in areas of the City within their boundaries. Economic Development follows at 21% and Police at 20%.

The 2022 Budget allocates \$27.5 million for General Fund operations, which is \$2.5 million (9.95%) more than the 2021 estimate. \$9.6 million is provided for Economic Development, and \$3.65 million in projects and purchases is planned in the Capital Improvements Fund.

The increase in the General Fund is primarily due the increase in budgeted payments to the Fire Districts and increases in personnel costs (increases in employee payroll and insurance).

Economic Development expenditures increase \$7.4 million from the 2021 Estimate. The 2022 Budget appropriates \$8.6 million for Economic Development projects in the community, funded by \$1.6 million in revenue, loan proceeds of \$5 million and retained fund balance from the prior year. This will leave a fund balance of \$4.9 million, or 51% of expenditures.

Capital Improvements expenditures are 36% more than 2021 estimate, at \$3.65 million in 2022. This fund includes \$549,506 as a transfer in from the General Fund Cabela Museum Bond payments. The cost of these projects is \$836,492 more than projected revenue of \$2.8 million, decreasing the fund balance to \$95,408 or 2.6% of expenditures.

Economic Condition and Outlook

Following is the economic conditions during budget preparation:

- Gas prices average \$2.27 nationally (www.eia.gov/petroleum/gasdiesel/), down from \$2.40 in FY2020.
- Midwest urban consumer price index (CPI) was 244.477 as of February 2021.
- National unemployment rose to 6.2% in February 2021; Hazelwood unemployment rate is 7.8%.

While all of the above factors determine the City of Hazelwood's revenues, slower economic growth in all of north St. Louis County and a reallocation of the sales tax pool calculation by St. Louis County has led to a leveling in sales taxes. Development in the industrial areas however has led to increased Licensing and Permit revenues for FY 2021 and FY 2022.

Detailed General Fund Review

General Fund Revenue

General Fund revenue projected for FY 2022 in the amount of \$26.1 million is \$40 thousand (0.15%) greater than what is estimated for FY 2021. Estimated reductions in sales taxes and licenses and permits are offset by an increase in Intergovernmental revenue. An estimated \$2.3 million is projected to be received from ARPA funding from the federal government. As 2021 is a reassessment year, property taxes would be expected to increase but we are projecting a relatively flat result. Utility tax is down \$120K.

#1) **Sales and use tax**, the City's largest revenue source, is projected at \$10.1 million in the General Fund and \$13.3 million combining all funds city-wide.

#2) Property tax revenue is based on taxable property (excluding TIF's) of \$510 million. This 2020 assessed valuation represents a 7% decrease. Residential property remained flat and commercial property has decreased 16%. 2021 is a reassessment year but we have budgeted a 1% increase for 2022.

#3) **Business licenses and permit revenue** of \$4.2 million is projected for FY2022, representing a decrease of \$103K (2.39%).

#4) **Fines and forfeitures** are projected at \$415K, which is an increase of \$1K from the 2021 estimate.

#5) **Utility taxes** of \$2.3 million is a decrease of approximately \$120K. The City levies a 6% gross receipts tax on utilities of non-residential users.

General Fund Services and expenditures

The proposed **operating budget of \$27.5 million** represents \$2.5 million (9.95%) increase over estimated 2021 spending. The surplus for the 2021 budget of \$1,021,234 increases the unrestricted fund balance to a balance of \$8.8 million (35.2% of expenditures). The 2022 budget funds the essential services that make Hazelwood a first class community.

Because revenue is uncertain in this economy, we will be keeping a close watch on revenues and expenditures throughout the 2022 fiscal year and will make any necessary **spending adjustments** as needed.

Cost of Fire District Services

In the 2021 Budget, fees were \$3.3 million, \$2.0 million to the Robertson Fire Protection District (RFPD) contract budgeted in the Fire Department and \$1.3 million to the Florissant Valley Fire Protection District (FVFPD). In the past, over 20% of the General Fund budget went to pay the Fire District fees. Last year's budget showed a lower than normal amount due to the uncertainty of the status of negotiations with RFPD at the time. The FY2021 Budget was amended to reflect \$4 million in payment to RFPD. The total share of the General Fund budget for Fire and Ambulance services to the residents is 41%, which is unsustainable. The City had made significant efforts to reach agreement with the Fire District to amend the contract, but have been rebuffed. In 2019 payments to the RFPD resumed after a year's respite. In FY 2021 we are projecting \$5.5 million in total payments to fire districts. In 2022 we project fees of \$5.9 million

Employee compensation

The City is a service organization, and thereby personnel costs of \$16.8 million comprise 61% of the General Fund budget. A Pay Plan Adjustment was given November 1, 2015 (FY2016) for all employees; a 1% COLA was given in FY2017 and a Step Increase was given in FY2018. For FY2019 a 1.75% cost of living adjustment was given for all City Staff and an additional 1.75% COLA for Police and Fire department personnel. A step increase was given for FY 2020. For FY 2021 the City is not budgeting any increase. For FY 2022, a 2% COLA increase has been budgeted.

Personnel

2022 staffing totals decrease to 160 full time equivalents (FTEs). Part time positions increase to just over 30 FTEs for a total Full Time Equivalency of 190.

A detail of changes is presented on the Personnel Schedule in the Summary Pages of the Budget.

2021 Estimate

The 2021 General Fund Estimate is expected to result in a surplus of \$1,024,234, which is an improvement over the \$4.4 million deficit that was originally anticipated, and the \$947 thousand deficit that the Amended Budget projected. Revenues came in \$13K more than anticipated and expenditures came in \$1.98 million less.

Fund balance

The 2021 surplus brings the June 30, 2021 General Fund Balance to \$8.8 million as a starting point for fiscal 2022. The ending fund balance at June 30, 2022 with the projected \$(1431,142) deficit is projected to be \$7.4 million, or 26.85% of expenditures, well above the recommended percentage the City can go according to the City Council's Fund Balance Policy. The fund balance must be monitored throughout the year to address this situation.

Detailed Review - Other Funds

Economic Development Fund

Economic Development funds in the amount of \$9.6 million are allocated for projects and expenditures and will leave a fund balance of \$4.9 million (50.99% of expenditures) by the end of FY2022. The use of these funds is another sign of the economic improvement in Hazelwood. This activity is supported by \$1.58 million in sales tax and \$7.8 million in reserves. The unusually high fund balance available is due to the receipt of approximately \$4 million in FY 2019 as a return of past economic development loans and proceeds of a loan to the City to fund \$5 million of the projects proposed.

Because these funds are legally restricted for economic development use, we try to utilize most of these funds to match federal grant programs to enhance infrastructure in our industrial areas, to market for continued growth of the city, and to attract and retain our economic base.

Approximately \$679K, or 7%, of the budgeted spending is on maintaining our infrastructure to support economic development. \$8.6 million (89%) is for general economic development projects. Administration is at 3% of spending.

Capital Improvement Fund

The sales tax from the **Capital Improvement Fund** may only be spent on capital improvements. Thereby, cutting back capital expenditures would only deprive the community of much-needed improvements.

In 2022, purchases and projects in the amount of \$3,654,730 are planned, utilizing \$549,506 in transfers from the General Fund, in addition to \$1,608,422 in sales tax.

Sales tax has historically been flat. For the FY2021 Budget it had been reduced in response to the Coronavirus situation. The ultimate result was that the tax remained at a level consistent with prior years. The minimum cost for purchases for the capital fund is \$10,000. All smaller items will be expensed in the General Fund. Conditions do change from year to year, and sound management practices require that we identify and implement necessary changes.

Expenditures are expected to exceed Revenues by \$836,492 decreasing the fund balance to \$95,406, 2.6% of expenditures. In other words, almost all of the available Capital

Improvement sales taxes have been invested in community services. The chart on the next page lists the top 20 major purchases and projects.

Sewer Lateral Fund

Since its inception in 2001, we have incrementally reduced the **Sewer Lateral** assessment from \$28 per residential unit (buildings with 6 or fewer dwellings) to \$5 per unit. However, because the fund balance has been decreasing each year and is nearing \$200K, the City Council has approved in 2019 increasing the assessment to \$20 per unit. The current spending for FY2022 is \$100,300 and fund balance is \$385K.

Conclusion

I am pleased to present the FY2022 Budget, which is a plan to continue first class community services.

As always, I want to extend my appreciation to the budget team for their work on this plan.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "D. L. Tuberty", written in a cursive style.

David L. Tuberty, CPA
Assistant City Manager-Finance

City of Hazelwood Economic Development Fund

Fund #180

Goals and Objectives

GENERAL

The economic development division of the city manager's department supervises the daily and long-term economic development activities of the City of Hazelwood.

ANALYSIS

Economic Development is funded by 1/2% sales tax, effective July 1, 2007.

The budget provides a mechanism for planning economic development activities while allowing the flexibility to meet unplanned needs. This includes operations, management, project funding, infrastructure development, geographic information system operations (GIS) and coordination with other City of Hazelwood Departments and liaison with county, regional, state and federal agencies.

GOALS & OBJECTIVES

In Fiscal Year 2022 the Economic Development Department will pursue the following goals:

Advertise the city as a business, industry and tourism destination

Participate in business and industry retention programs

Improve city corridors through enhancement

Provide creative local incentives to attract business and industry

Maintain information on commercial real estate in the city through an enhanced website

Provide an electronic interface for economic development applications through an enhanced website

Provide information to businesses and residents about the city's economy

Cooperate in local and regional economic development programs

Plan infrastructure improvements

Support development of industrial and office parks

City of Hazelwood Economic Development Fund

Fund #180

Fund Summary

Description

The cost of economic development plans, projects, and purchases are recorded in this fund. Expenditures are funded by 1/2 cent Economic Development Sales Tax.

City of Hazelwood Capital Improvement Fund Budget Fund Summary

Fund #200

Description

On April 2, 1996, the voters of the City of Hazelwood approved a one-half of one percent sales tax for the sole purpose of funding capital improvements, including the operation and maintenance of capital improvements, and may include the retirement of debt under previously authorized bonded indebtedness (67.700 RSMo).

The City of Hazelwood selected Option 2 distribution method whereby (94.890.4, RSMo, Supp. 1995) one hundred percent of the sum of all fund funds generated in Option #2 cities and fifteen percent of the funds generated by Option #1 cities is distributed to Option #2 cities based on the percentage ratio of the population of all Option #2 areas.

City policy requires that uses of Capital Improvement Sales Tax be to purchase or improve a significant with a life that extends beyond one year. The funds may not be used for employee salaries or other general operating costs except in the case where in-house labor is used to construct or improve such a capital asset. Allowable expenditures generally cost in excess of \$10,000 and have value extending beyond one fiscal period. Routine replacement and maintenance items of significant cost and life beyond 5 years are also included. (Policy \$10,000 7/1/2012, \$20,000 7/1/2011, \$5,000 7/1/2005, \$20,000 prior)

City of Hazelwood Capital Improvement Fund Budget

Fund Summary

Fund #200

Description

Major improvements, projects, and purchases are recorded in this fund. These items generally cost in excess of \$10,000 (eff. 7/1/2012, \$20,000 7/1/2011; \$5,000 7/1/2005) and have value extending beyond one fiscal period. Routine replacement and maintenance items of significant cost and life beyond 5 years are also included.

City of Hazelwood Sewer Lateral

Fund # 400

Description

Hazelwood's sewer lateral program was approved at the election of 4/3/2001, effective with the 2001 tax billing. A special assessment of \$28 per residential unit (buildings with 6 or fewer dwellings) was billed with property taxes. Effective July 1, 2006, the assessment was decreased from \$28 to \$18. 1% is paid to St. Louis Co. for collection. Effective July 1, 2006, the sewer lateral repair reimbursement rate was increased from 75% to 90% up to \$7500. Condominium buildings with greater than 6 dwellings per building and properties with a septic tank are not included in the program.

A decrease in assessment from \$18 to \$10 was adopted in 2009.

Further reduction from \$10 to \$5 was adopted in 2010.

The rate of assessment was returned to \$10 in 2017.

The rate of assessment was increased to \$20 in 2018.
