Disc Golf

Disc Golf combines a favorite American pastime of throwing flying discs with one of the world's greatest sports - golf. Players count how many "strokes" (throws) it takes to get from the tee to the basket using aerodynamically designed golf discs. This fun and inexpensive sport is played throughout the U.S., Europe, Japan, and as far away as Australia. Hazelwood's White Birch Park is home to an 18 hole course that challenges you to negotiate many tree obstacles and a winding creek. We invite you to try this popular sport on our course. Admission is free. We have a wide variety of reasonably priced golf discs, bags, and towels for sale in the Recreation Office.

"May the 4th Be With You"

Pick up a scorecard from the Recreation Office before you play and turn your scorecard in to the Recreation Office when finished. Participants tee off when it is convenient for them. **THIS WILL BE A UNIQUE COURSE.** Top 5 finishers will receive a full color Buzz Star Wars disc.
