Its techniques are powerful, yet focus on protecting the attacker from injury. In addition to the application of throws and joint locks, practitioners learn to take falls and receive techniques without injury. Disc Golf combines a favorite American pastime of throwing flying discs with one of the world’s greatest sports – golf. Players count how many “strokes” (throws) it takes to get from the tee to the basket using aerodynamically designed golf discs. This fun and inexpensive sport is played throughout the U.S., Europe, Japan and as far away as Australia. Hazelwood’s White Birch Park is home to an 18 hole course that challenges you to negotiate many tree obstacles and a winding creek. We invite you to try this popular sport on our course. Admission is free. We have a wide variety reasonably priced of golf discs, bags, and towels for sale in the Recreation Office.
