

FALL LEAF COLLECTION DIRECTIONS

Following is the schedule for the annual collection of leaves. Each year the schedule is rotated so that no particular area will always be first or last. Each street is scheduled for two separate pickups.

RESIDENTS ARE TO RAKE THEIR LEAVES TO THE CURB ON THE WEEKEND BEFORE THE WEEK INDICATED FOR THEIR AREA. Residents who prefer to bag their leaves may do so; however, **it must be in bio-degradable bags** and bagged leaves will only be picked up on Monday of their designated week. **CITY CREWS WILL COLLECT LEAVES ON EACH STREET ONE TIME DURING SCHEDULED COLLECTION WEEK.** Therefore, it is very important that you have your leaves at the curb by Monday morning. The dates provided are as accurate as we can make them since we cannot control the weather, the falling, raking and bagging of leaves and mechanical breakdowns.

DO NOT put any brush, vines, grass clippings, trash, garbage, metal objects, garden waste, etc. in the leaves that are to be collected as these items may cause serious injury to the crew and damage the machinery. **CITY CREWS WILL COLLECT LEAVES ONLY.**

For further information on their program, call the Hazelwood Public Works Street Division at 731-8701 Monday through Friday between 8:30 a.m. and 3:30 p.m.
