

The City of Hazelwood

much more
than you imagine

July 22, 2016

Dear Landlord,

The Hazelwood City Council recently approved a five-year contract with Republic Services. Our Council members decided to stay with the same contractor we have now because of its consistency and proven track record of providing quality service for residents.

Starting September 1st, the new monthly rate will be \$15.65, which is a decrease from the current one. Yard waste is still an optional service for residents. The cost is \$8.46 per month for a minimum of three months.

With the new contract, property owners who have one or two family dwellings as rental properties will be responsible for payment of solid waste and recycling services for each residence. You can expect to receive an invoice from Republic Services for your rental properties as a result of this change.

The City of Hazelwood is implementing this change with the new contract to ensure that proper solid waste and recycling services are maintained at all residences as required by City ordinance.

If you have any questions, contact the City of Hazelwood at (314) 513-5032 or (314) 513-5033, or call Republic Services' customer hotline number at (636) 947-5959.

Sincerely,

David Stewart, PE, CPM
Director of Public Works/City Engineer
