

# PLEDGE TO RECYCLE IN 2016 AND WIN!

Serious about throwing more household plastics, paper, cardboard, aluminum cans and glass into your curbside recycling cart this year? Do you return plastic grocery bags to the store for recycling? How about separating recyclables from regular trash at the office or school? Have you ever taken old electronics to an electronics recycling drive? If you haven't, 2016 is a great time to start!

If you're committed to helping save our planet and conserve our natural resources through recycling, then you may end up a winner. We are asking you and your neighbors to make a pledge to recycle in 2016. By signing the pledge card below and turning it in at City Hall, the front desk of Civic Center East or the Hazelwood Community Center, you will be entered to win a prize from the Hazelwood Green Committee. There are separate prizes for children and adults, including tickets to St. Louis Cardinals' home games, White Birch Bay Aquatic Center passes, gift cards, and a whole lot more. Drawings for winners will be held in the spring, summer and fall. When you drop off your recycling pledge card, be sure to sign your name on our posters letting everyone know you've made the commitment to recycle this year!

*Cut along this edge and turn in your pledge card*
