Ms. Davis stated she has seen in the news that other cities are trying to use Proposition P funds for other projects and not for public safety.

**CITY MANAGER'S
STATUS REPORT**

Mr. Zimmerman had provided the Council with a report on concerns expressed by Monte Haynes, during the July 19 Council meeting, relative to St. Cin Park and concerns expressed by Denita Kidd Arnold, during the August 2 Council meeting, relative to code enforcement in the annexed area.

Mr. Zimmerman stated he spoke with Mr. Haynes on Friday and reviewed the report. He also spoke with Mrs. Kidd Arnold and explained that while staff reviews the Code relative to balancing green issues and aesthetics, pursuant to Council direction during the June 21 Council meeting, code enforcement for high grass issues in the non-urban area have been suspended.

Mayor Robinson commented the majority of Mr. Hayne's concerns have been addressed. Due to limited funding, all of his concerns cannot be addressed. The Council supports the City Manager and is satisfied with his response.

CITY MANAGER'S REPORT

LEASE/PURCHASE CITY HALL WINDOW REPLACEMENT PROJECT Ms. Alaniz reported staff recommends authorization of a lease/purchase agreement with National Bank Holdings Corporation for financing of the window replacement project for a ten year term, at an interest rate of 2.95%, with a principal amount not to exceed \$370,000.

Mr. Parkin moved, seconded by Mr. Aubuchon, to concur with the staff recommendation to authorize the lease/purchase agreement with National Bank Holdings Corporation for financing of the window replacement project and to place the draft bill on this agenda for introduction. CONTRACT STREET Public Works Director David Stewart reported staff recommends authorizing a contract with Corrective Asphalt

RESURFACING Materials, LLC for the 2017 street resurfacing project at a cost not to exceed \$46,705.

Mr. Stewart stated there is a seven to 10 year rotation to reseal the asphalt streets. Only one bid was received from Corrective Asphalt Materials, LLC and they have satisfactorily performed this work for the City in prior years.

Mr. Aubuchon moved, seconded by Mr. Ryan, to concur with the staff recommendation to authorize a contract with Corrective Asphalt Materials, LLC for the 2017 street resurfacing project and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.b.

CONTRACT Public Works Director David Stewart reported staff
STREET recommends authorizing a contract with M & H Concrete
IMPROVEMENTS Contractors, Inc., for the 2017 street improvements project at a cost not to exceed \$240,048.

Mr. Stewart stated two bids were received for the street improvements project and the low bidder was M & H Concrete. Their bid includes mud jacking work along Riverwood Trails Drive. M & H Concrete has satisfactorily performed this type of work for the City in the past.

Mr. Aubuchon moved, seconded by Mr. Ryan, to concur with the staff recommendation to authorize a contract with M & H Concrete Contractors, Inc., for the 2017 street improvements project at a cost not to exceed \$240,048 and to place the draft bill on this agenda for introduction. CODE AMENDMENT Mr. Zimmerman reported staff recommends approval of
RE: DANGEROUS amending *Section 210.310: Dangerous Animals – Generally*
ANIMALS and *Section 210.140: Dangerous Animals – Owners’ of Chapter 210: Animals and Fowl* of the Hazelwood City Code relative to enforcement protocol.

Mr. Zimmerman stated the code currently requires the Director of Public Works to initiate action to identify and address situations related to dangerous animals. However, under current protocol, the Chief of Police has these responsibilities. The Code amendment would substitute “Chief of Police” for “Director of Public Works” and “Police Department” for “Public Works Department.”

Mrs. Singleton moved, seconded by Mrs. Hendon, to concur with the staff recommendation to amend *Section 210.310: Dangerous Animals – Generally* and *Section 210.140: Dangerous Animals – Owners’ of Chapter 210: Animals and Fowl* of the Hazelwood City Code relative to enforcement protocol and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.d.

BOILER PURCHASE Mr. Stewart reported staff recommends authorizing a contract with Bendler Mechanical Company, Inc., for purchase and installation of a boiler at City Hall at a cost not to exceed \$23,776.

Mr. Stewart explained the current boiler is original to the building, inefficient, and recently created an unsafe situation in City Hall. Four bids were received and the low bidder was Bendler Boiler and Mechanical. Mr. Stewart stated references for Bendler have been checked and they have done work for other St. Louis County municipalities with satisfactory reports.

Mrs. Hendon moved, seconded by Mrs. Singleton, to concur with the staff recommendation to authorize a contract with Bendler Mechanical Company, Inc., for purchase and installation of a boiler at City Hall at a cost not to exceed \$23,776 and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.e.

EMERGENCY NOTIFICATION SYSTEM Police Chief Gregg Hall reported staff recommends authorizing a five year contract with SwiftReach for an emergency notification system at a cost of \$27,000.

Chief Hall stated the current contract with CodeRed expired August 1. SwiftReach provided the lowest of three bids.

Mr. Aubuchon asked if those who signed up for CodeRed would automatically receive SwiftReach notifications. Chief Hall responded staff is working through the issues and would advertise for the public to sign up for the SwiftReach notifications.

Mr. Aubuchon moved, seconded by Mr. Ryan, to concur with the staff recommendation to authorize a five year contract with SwiftReach for an emergency notification system at a cost not to exceed \$27,000 and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.f.

FIRE HYDRANTS Fire Chief Dave Herman reported staff recommends approval of the installation of one fire hydrant and the relocation of one fire hydrant at 310 James S. McDonnell Boulevard.

Chief Herman stated Missouri American Water requires authorization by ordinance to install and relocate fire hydrants. A hydrant is currently located on the south side of the street at 310 McDonnell Boulevard and, due to the new construction for the MiTek project, the hydrant needs to be moved approximately 130 feet to the west. The relocation of the hydrant will create a distance of 1,000 feet between the relocated hydrant and an existing hydrant to the east, which does not meet fire department

requirements. Therefore, a new hydrant would be installed approximately 330 feet east of the relocated hydrant.

Mrs. Stroker moved, seconded by Mrs. Hendon, to concur with staff recommendation to install one fire hydrant and relocate one fire hydrant at 310 James S. McDonnell Boulevard and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.g.
